THE AREA

The lovely holiday apartments at The Royal Alpage Club Resort are located in the heart of the Swiss Alps, in the biggest ski domaine in Europe. Situated midway between Geneva, Lausanne, Bern and Zurich, you will enjoy the magnificent views from the Dents du Midi summits. Champoussin is a small traditional chalet style village located high up in a sunny south facing bowl offering spectacular panoramic views. The Resort is situated at an altitude of 1.600 metres which ensures a good covering of snow for the season. Champoussin is one of the very few ski resorts which offers doorstep skiing, simply put your skis on and away you go. It is hard to find a lift queue in this area and the skiing in the Portes du Soleil ski area provides a vast variety of pistes and off piste for all levels of skiers. Beginners are also well looked after for as the nursery slopes are situated directly behind the village with easy access to and from the village. All this makes Champoussin the perfect place for a skiing holiday for individuals, groups or families.
