**Other useful information:**

Mussoorie is a city and a municipal board, about 30 km from and in Dehradun district in the Indian state of Uttaranchal. This hill station, situated in the foothills of the Himalaya ranges, is also known as the Queen of the Hills. The adjoining town of Landour, which includes a military cantonment, is considered part of 'greater Mussoorie', as are the townships of Barlowganj and Jharipani.

At an altitude of 7000ft, Mussoorie gives you a panoramic view of the Himalayas. Its serene charm, the mountain mist, the delicate flowers and swift streams transport you to an age of romance. It's the perfect place for a family picnic by the stream, a chance to rediscover the beauty of nature.
