Places of Interest **White Beach** - This is what most people are here for. Not only is it a lovely stretch of powdery white sand against azure water, it's also the commercial center of the island. Grotto of the Blessed Virgin Mary; **The Bat Cave**. One will see in several tour guides and maps of Boracay something called the Bat Cave, which houses many small insectivorous bats (the larger fruit bats roost in the trees on the hillside above Punta Bunga Beach), and locals will be more than happy to accompany you there for a fee, or "tip". **Baling Hai Beach** - This is a quiet little cove just north of Diniwid Beach, where you can enjoy swimming, snorkeling and dining in a relaxed, peaceful environment.
