HOTEL DESCRIPTION

Once the home of a colourful and eccentric couple who were members of Colombo's 'elite', this venerable colonial bungalow with adjoining stores and warehouses occupying 2 acres of land in the heart of Colombo, has now been transformed into an elegant 12-room boutique hotel. The Park Street Hotel is one of the few remaining bungalows of its kind in Colombo, and is the third in Anilana Resorts' unique collection of charming small hotels in Sri Lanka.

Located approximately 30km from the airport, the hotel provides her guests with beautiful boutique accommodation in Colombo, as either a base from which to explore the island, go shopping or to absorb some distinct urban Sri Lankan culture at the beginning or end of their trip.

Conde Nast Traveler's exclusive annual Hot List (2007) named The Park Street Hotel as one of the 'Hottest' new hotels in the world.
