The main administrative and shopping district, Bur Dubai contains some of Dubai's oldest buildings. Bastakiya is a carefully restored 'heritage quarter' of narrow alleys and courtyard houses cooled by wind-towers. Sheikh Maktoum's House (now a museum) is a fine example of 19th-century Arabian architecture. The nearby Dubai Museum offers a succinct account of the Emirate's history, while the Heritage & Diving Village recreates its maritime past. Gold Souk, Diera Shopping areas, Jumeirah Beach, World Trade Center are near to Hotel Apartments.
